

AMADOR

{ WHISKEY CO }

Ninth Release

TEN BARRELS

90% TWO-ROW BARLEY WHISKEY
10% CRAFT IPA BASED WHISKEY
FINISHED IN CHARDONNAY BARRELS

At Amador Whiskey Company, we partner with the finest craft distillers to create limited-edition, luxury whiskeys. Our 9th release was crafted by Master Distiller, Marko Karakasevic, at Charbay® Distillery in Ukiah, California. It is a unique blend of 90% malted 2-row barley whiskey and 10% hop-based whiskey distilled from a craft California IPA beer. Then it is aged for 2.5 years in French Oak and finished for 6 months in former Napa Chardonnay wine barrels. Enjoy this limited 10 Barrel release of California Whiskey brimming with complex brown spice, vanilla, dried fruit, and hop flavors.

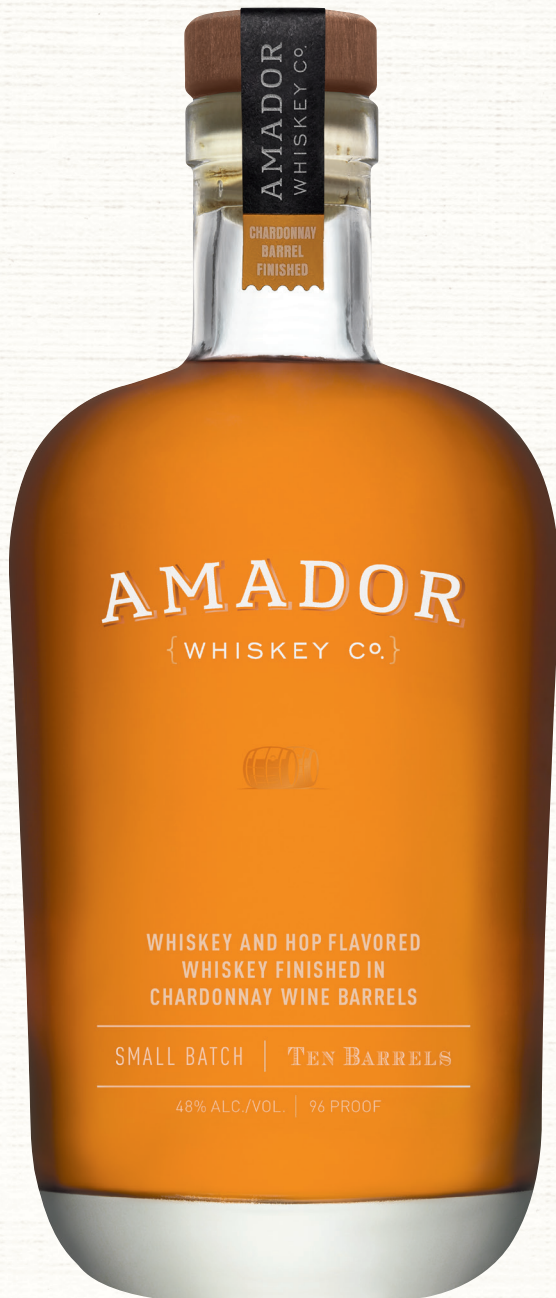

{ TASTING NOTES }

by Master Distiller
MARKO KARAKASEVIC

Opening the bottle, the whiskey shows a nice integration of French Oak. The color is a classic heavy toast brown. Since the barrels used were not charred, a lot more flavors of the whiskey are available: Honey, Dried Fruit, Smokey, Vanilla from the Barrel, Roasted Barley, and Spices. The hops have meshed with the brown spices, making this a very spicy whiskey.

The finish is long and coating. It shows off the distilling cuts.

There is great balance.

NEAT

Enjoy neat or with a splash of water to enjoy all the complexities of this fine California Whiskey
